

HOPE PARK AND FITZ PARK TRUST

MEMORIAL SEAT & MEMORIAL TREE POLICY (revised March 2022)

It is the policy of Hope Park and Fitz Park Charitable Trusts that memorials, either seats or trees, are acceptable in the parks.

Both Parks have a considerable amount of seats and trees. However, when these need replacing, which is on an ad hoc basis, they may be purchased via donations to the Trust.

Policy Terms & Conditions

- The style of seat or tree specimen, together with the sitting thereof, remains a Trust decision.
- We regret that we may not be able to accept all offers for seats, but that you will understand that the number and style of seats we select is a major consideration if we are to keep our parks looking attractive and uncluttered.
- **Once installed Keswick parks undertakes to maintain the seat for a period of 5 years.**
- **All seats will be removed after 10 years**, the space will then be offered to the next person on the waiting list. Seats may be removed prior to this if they become unsafe, or unacceptable from an aesthetic or policy stand point.
- Memorial seats and plaques can be removed by the donor at the end of the period, although they must arrange collection and all related costs.
- Keswick Parks cannot replace stolen, damaged or vandalised seats, trees or plaques. The seat or tree may be removed from site if vandalised and of a Health and Safety concern. If the seat or tree has to be removed, we will make every effort to inform the donor. The space will then be offered to the next person on the list.
- Keswick Parks cannot guarantee the long term safety or security of the seat or tree and is not responsible for the replacement resulting from damage or deterioration with age.
- Regular inspections by Keswick Parks staff will determine if a seat/tree is safe and will make the final decision to remove any seat/tree.
- Memorial trees will not be planted during the summer months as often trees do not survive due to drier conditions.
- Whilst it is permitted for memorial seats to contain commemorative plaques, this is not permitted for trees.
- The opportunity to plant trees is limited and is undertaken under advice from the Parks Manager.
- Once planted the trees are normally left to grow to maturity however Keswick Parks reserves the right to remove trees after 10 years if deemed unsafe.
- If a memorial tree dies, we will replace it free of charge, however we cannot guarantee the same kind of tree will be used.
- The public nature of the park dictates that Keswick Parks only permits the placement of a single flower on or next to memorial seats or trees. Floral displays and other tributes will be removed.
- Keswick Parks does not permit the placing or burial of ashes under benches or trees.
- The location in which the seat or tree will be placed is determined by Keswick Parks, dependant on need and availability. While Keswick Parks tries to locate a seat or tree at a requested location, this cannot be guaranteed.

- Only seats and trees approved and supplied by Keswick Parks will be acceptable.
- Keswick Parks will keep a record of donors and their contact details for future reference in accordance with data protection laws. It is the responsibility of the donor to keep Keswick Parks informed of any change of circumstance or address.
