FITZ PARK, HOPE PARK & TOWNSFIELD CHARITABLE TRUSTS

Council Offices 50 Main Street Keswick CA12 5JS

4th January 2018

A meeting of the following Charitable Trusts will be held in the Council Chamber, First Floor, Council Offices, 50 Main Street, Keswick, on Thursday 11th January 2018 at <u>7.30pm</u>. The press and public are welcome to attend.

Wave

Lynda Walker Town Clerk

HOPE PARK	Registered Charity	503465
FITZ PARK	Registered Charity	520327
TOWNSFIELD	Registered Charity	520295

AGENDA

1. Apologies

To receive apologies for absence.

2. Declarations of Interests

To receive any declarations of interests in respect of items on this agenda.

3. Minutes

To authorise the Chairman to sign as a correct record the minutes of the Special meeting held on 22nd November 2017 (page 10).

4. Chairman's Report

To receive the Chairman's report.

5. Friends of Keswick Parks

To receive an update from Elizabeth Barraclough, Convenor, who will be in attendance for this item.

6. Fitz Park Signage and Banner

Keith Richardson will be in attendance for this item to present the artwork for the maps for approval and will also provide an update on progress with the banner.

7. Parks Manager's Report

To consider the report of the Parks Manager.

8. Draft Budgets 2018-19

To agree the draft budgets for 2018-19 for i) Hope Park and ii) Fitz Park.

9. Requests for use of the Parks

To consider a request from the organisers of Keswick Mountain Festival for use of Hope Park – further information will be available at the meeting.

Prior to the following business the Chairman will move the following resolution:

'That under the Public Bodies (Admission to Meetings) Act 1960, the public and representatives of the press and broadcast media be excluded from the meeting during the consideration of the following items of business as publicity would be prejudicial to the public interest because of the confidential nature of the business to be transacted.'

10. Contracting

- i) New Equipment Store and Staff Accommodation at Hope Park
 To receive an update on costings from Steve Harwood
- ii) Replacement of Parks Van
 To consider the report of the Parks Manager
- iii) Hope Park Lease renewal
 To consider the report of the Clerk.

11. Staffing

To receive an update from the Parks Manager.

FITZ PARK, HOPE PARK & TOWNSFIELD CHARITABLE TRUSTS

Present:		
-	Chairman	
Со	uncillor Adam Paxon	
Allen Deniele	Councillors Martin Jordan	Denstone Kemp
Allan Daniels Graham Kendall Paul Titley	Susan Leighton	Duncan Miller
Also in attendance was Lynda Walk	er (Trust Clerk).	
54. Apologies Apologies for absence were rec	eived from Councillors B	urn (holiday), Lywood, and Pugmire (unwell).

Report from Friends of Keswick Parks

to Trust 11th January 2018

1. Sensory/Memorial Garden

State of the Garden

The majority of the planting has been completed with the exception of one bed, the Winter Bed, which we hope to plant this Spring with shrubs that will provide interest in winter and early spring. We have been fortunate that members of the Horticultural Society have provided plants and grown some rockery plants for us from seed. One bed that this year was a 'floral meadow' grown from seed we hope to repeat at least this year.

New Developments

The one thing that we do not have in the garden is some changing visual attraction that visitors to the garden can watch. The site is too open and too busy to consider a bird feeder or other wild life feature so we felt we had to create a man made artifice with movement provided from solar power. Knowing that Keswick School has a very good technology department I approached the Head Teacher and I hope that starting next September we can develop an attractive vandal proof project, we felt it widened the interest in the Garden within the Town.

A Raised Planter

The original design had a raised bed, possibly not in the most appropriate position, the idea was to provide planting at a level accessible to wheel chair users and so enable them to touch and smell herbs and tactile plants. We feel such a bed would improve the interest of the garden. We are investigating suitable designs and materials to be placed on the circular path area.

2. Hope Park Bed

We continue to maintain the bed in Hope Park and will be adding and replacing some plants this Spring.

3. The Friends

We have a core group of about 6 people who have been responsible for planning and doing most of the planting. But we had tremendous help from individuals and the Lions and Rotary during the preparation of the beds and clearing and keeping them weeded.

Elizabeth Barraclough Convenor, Friends of Keswick Parks January 2018

Parks Manager Report Jan 2018

Christine Fawcett

Drier conditions over this last period have meant good progress in all the Parks has been made. Thanks must go to the parks staff for their hard work, including our new member to the team Mathew Gee. Things also run smoothly due to the great efforts of the three ladies within the office of Keswick Town Council.

Hope Park

The shrub borders have had a good prune and some shrubs have had regenerative pruning carried out. A wood chipper was hired in for the week and all material chipped back onto the mature shrub beds to act as a mulch and weed suppressant.

Tee mats have been brought in and repainted and two mats/boards have been replaced at a cost of £200.00 each

The new buildings are making good progress and the roof is now on, rendering is being carried out inside and we are hoping for a completion date of mid-February.

The existing electrical supply cable to the old building is not heavy enough to carry the new electrical load we require. This was not foreseen in the initial plans and costing; to

avoid spiralling costs Hope Park staff have dug the majority of this trench. The new cable has been laid and the ground/paths reinstated.

A new Rose Arbour has been built by Matt and Kevin to replace an existing structure; a donation for this material was made by a lady who had recently collected her memorial bench.

The tree survey is being carried out by Capita and some trees have been highlighted, these works have started to be carried out. Two beech trees next to Lady Hope's garden have been crown reduced by 50% and a large limb has been removed from the Oak tree in the yard.

Mulching of the herbaceous borders and shrub beds is almost complete. This has not only made a good visual impact but also really helps to reduce weeds.

War Memorial

There has been some damage to the corner of the war memorial raised stone beds. This damage we think was done by a vehicle on 20/12/17. Parks staff have repaired the damage.

Lower Fitz Park

The playground footpath has been tarmacked and is a good improvement to the access of the play area. The woodchip surface is to be renewed/topped up shortly.

The additional mesh fencing to Knight's Bridge has been carried out and is a good improvement.

Approval to prune the Holly tree beside the bridge has been granted and this will be done shortly.

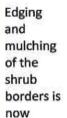

The shrub bed at Crosthwaite Road car park has been fenced off with posts and rails and a line of white posts has been instated to try and stop cars mounting the grass verge.

Upper Fitz Park

Parks staff have been busy pruning back shrubs on the Station Road side of the park to encourage regeneration and allow more light/air into the park. This work was carried out at the same time as

the shrubs being cut back at Hope Park to maximise the chipper hire.

being carried out

Three Memorial trees have been planted in the Parks, including Acer *griseum* and Liquid *amber* in Upper Fitz and a Toona *sinensis* "Flamingo" at Hope Park.

Fiat Scudo Van

As the Trust is aware we have a Fiat scudo van, this van was purchased outright in 2012 and has done 48,000 miles to date. It is now starting to show signs of wear and in the near future is going to need money spent on it to keep it in service. It is an essential piece of equipment which is used daily in both parks and has had various drivers throughout its life.

In December the engine management light came on as I was coming to work, I was able to limp to work at low speed as advised by Keswick motor company. The diagnostic test indicated low fuel pressure, the van has been serviced since and seems to be running OK.

I have looked at various options for the trusts best interests and these are detailed in a separate report elsewhere on the agenda.

MUGA lights

Prices have now been received for replacing the lights on the MUGA as follows:

600w LED £845.50 each

Total £5073.00

800w LED £1698.17 each

Total £10189.00

Cherry picker hire @£25 per hour

Total £200.00

Plus labour (2 men for 1 day).

Machinery Repairs

Request to take £297.00 from Hope Park contingences nominal code. £698.00 is available. This is to cover the service of the Kubota tractor. There is £160 left in the repairs budget, however a Dennis mower has to be repaired at Fitz Park and this will almost certainly use this budget.

BUDGET ESTIMATES 2018/19 - DRAFT - WAGES OPTION 2 - AS DISCUSSED AT PARKS STRATEGY MEETING - 1st November 2017

KESWICK PARKS CHARITABLE TRUSTS MEETING 11 JANUARY 2018

REQUEST FROM KESWICK MOUNTAIN FESTIVAL

(Extract from email dated 20 December 2017)

Following the closure of the Festival Village at this year's Mountain Festival we were able to run most of the sporting events by putting a contingency plan into action. Having seen how that worked we want to tweak the plan! (Hopefully we won't need to use it for a while at least!) A key change is that we would like to finish the trail races next to the Theatre rather than on Crow Park Road. This would require runners to come through Hope Park.

Many thanks for your help.

Nicola Meadley Event Director
